

Dear Fellow Congregants,

We have recently been made aware of a West Side volunteer opportunity that we thought might be of interest to our Temple members!

The Ronald McDonald House (RMH) Family Room at Fairview Park Hospital, once a month, has a meal delivered by a restaurant in the area, and they are looking for a local organization to "adopt" the room and have volunteers come that evening to serve the meal, visit with the families that come in to eat and relax, and then clean-up afterward. This would take place on the 2nd Monday of each month, and the time would be from approximately 4-6 PM. They would like 2-3 volunteers, ages 12 and up, to come each month, and they want the organization to agree to "adopt" the room for one year, beginning on Feb. 13th.

Because this is the type of activity that some of our members have, in the past, expressed an interest in doing, we're hopeful that we can obtain a "critical mass" of people interested, so that our congregation can take on this project. We would particularly like to encourage those families with students in our High School class to consider participating, as this would be a great opportunity for a parent (or parents!) and child to spend some "quality time" together! (Please note that, because there are immune-compromised children in the unit, however, children under the age of 12 are not permitted in the room.)

If you would be interested in helping out with this effort, please send your name and phone number in an email to Laurie Levinson at [lhlevinson@oh.rr.com](mailto:lhlevinson@oh.rr.com). In addition, if you have a preference as to the date(s) you would like to volunteer (see the list of dates below), please include that as well in the email.

Thanks, and please feel free to contact us with any questions you might have!
